

ACAT *Online*

Autoscoring Request

Students taking the ACAT Online can view and print their scores immediately following completion of their test. This is provided at no additional cost to the institution. A sample of what will be displayed can be seen at <https://www.collegeoutcomes.com/LV1/SampleAutoscore.html>.

Departments can have preliminary scores sent by e-mail shortly after the end of each online session. Departments will still receive their regular score reports after they notify us that they have completed testing for a scoring cycle.

Departments using the ACAT Online can indicate which autoscoring services they want by completing this form, signing it, and sending it by email to **reports@collegeoutcomes.com** or printing and faxing it to us at 931-552-9167. Please contact us if you have any questions about these options or completing this form.

Select how you want the scores delivered. You may select one or both options below.

Provide students with scores immediately following completion of the test.

Send preliminary scores directly to the following e-mail address (please add the address reports@collegeoutcomes.com to your e-mail address book and/or permitted list).

E-Mail Address:

Select the scores to be provided. The same options will be provided under both delivery options above.

Stanine scores and percentile bands for each content area (Departments receiving these scores by e-mail will receive the standard scores for each content area without percentile bands.)

Overall performance standard score and percentile
